02 The Bürgerstrom-Circuit

02 How everyone can participate

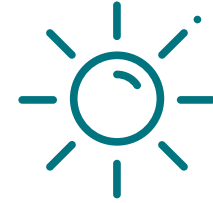

As a customer

Available everywhere in Germany, choose a cooperative to support automatically with every kilowatt hour you consume.

As a member

Become an active member in your local cooperative or join the Bürgerwerke-team in Heidelberg.

As an investor

Invest in any local cooperative or become a crowd-investor. Investments often start at 100 €.

**Thank you for
your attention!**

03 Taking energy transition in our own hands.
